<b>RECOMMENDED ACTION:</b> That the Board of County Commissioners approves the resolution.

### **BACKGROUND:**

Adams County Human Services Department contracts with various medical providers and other community partners too quickly and accurately process medical assistance applications on behalf of their clients. Adams County hires Community Support Specialists who are designated to expedite the medical assistance applications submitted by clients of each of these organizations. Funding to pay for the salaries and benefits of the Adams County employees who work on each of these contracts is as follows:

Twenty five percent (25%) of the salary and benefits for the Adams County employee who works with Adams 12 Five Star School is funded by Adams 12 Five Star School, and the other seventy five percent (75%) is reimbursed with federal Medicaid funds. In addition, the supervisory costs associated with this contract are funded 25% by Adams 12 Five Star School and 75% with Medicaid funds. There is no cost to Adams County for the work done by Adams County employees on this contract.

Staff's recommendation is to approve these contracts to enable timely processing of Medicaid applications. These contracts will prevent a negative impact on the delivery of medical services to needy families and will ensure each partner receives timely medical assistance payments for the services rendered to these families.
