RECOMMENDED ACTION: That the Board of County Commissioners approve the IGA between Adams County and the City of Thornton

BACKGROUND:

Adams County and the City of Thornton desire to enter into an Intergovernmental Agreement (IGA) between the City of Thornton and Adams County for the Paving of Holly Street. The IGA outlines the responsibilities of both the City of Thornton and Adams County regarding the County street maintenance projects and associated costs. The County's annual streets program rehabilitates roadways throughout unincorporated Adams County. Due to the proximity of the 2016 program to some streets within the City, it was determined there could be cost savings by extending construction along those corridors and seeking reimbursement from the City.

An estimate of the expenditures for the City contribution is \$91,803.95 based on the project areas associated to the City's jurisdiction.
