GENERAL PROVISIONS

The following clauses apply to this contract:

A. Governmental Immunity/Limitation of Liability:

Notwithstanding anything herein to the contrary, no term or condition of this contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the "Colorado Governmental Immunity Act", C.R.S. §24-10-101, *et seq.*, as now or hereinafter amended. The parties understand and agree that the liability of the State for claims for injuries to persons or property arising out of negligence of the State of Colorado, its departments, institutions, agencies, boards, officials and employees is controlled and limited by the provisions of C.R.S. §24-10-101, *et seq.*, as now or hereafter amended and the risk management statutes, C.R.S. §24-30-1501, *et seq.*, as now or hereafter amended. Any liability of the State created under any other provision of this contract, whether or not incorporated herein by reference, shall be controlled by, limited to, and otherwise modified so as to conform with, the above cited laws.

B. Federal Funds Contingency: Payment pursuant to this contract, if in federal funds, whether in whole or in part, is subject to and contingent upon the continuing availability of federal funds for the purposes hereof. In the event that said funds, or any part thereof, become unavailable, as determined by the State, the State may immediately terminate this contract or amend it accordingly.

C. Billing Procedures: The State shall establish billing procedures and requirements for payment due the Contractor in providing performance pursuant to this contract. The Contractor shall comply with the established billing procedures and requirements for submission of billing statements. The State shall comply with CRS 24-30-202(24) when paying vendors upon receipt of a correct notice of the amount due for goods or services provided hereunder.

D. Exhibits- Interpretation: Unless otherwise stated, all referenced exhibits are incorporated herein and made a part of this contract. And, unless otherwise stated, in the event of conflicts or inconsistencies between this contract and its exhibits or attachments, such conflicts shall be resolved by reference to the documents in the following order of priority: 1) the Special Provisions of this contract shall always be controlling over other provisions in the contract or amendments; 2) the contract "cover" pages; 3) the General Provisions of

this contract; 4) the exhibits to this contract, except that any exhibit entitled: "Modifications to the General Provisions" shall take priority over the General Provisions of this contract.

E. Notice and Representatives: For the purposes of this contract, the representative for each party is as designated herein. Any notice required or permitted may be delivered in person or sent by registered or certified mail, return receipt requested, to the party at the address provided, and if sent by mail it is effective when posted in a U.S. Mail Depository with sufficient postage attached thereto. Notice of change of address or change or representative shall be treated as any other notice.

F. Contractor Representations:

1. Licenses and Certifications: The Contractor certifies that, at the time of entering into this contract, it and its agents have currently in effect all necessary licenses, certifications, approvals, insurance, etc. required to properly provide the services and/or supplies covered by this contract in the state of Colorado. Proof of such licenses, certifications, approvals, insurance, etc. shall be provided upon the State's request. Any revocation, withdrawal or nonrenewal of necessary license, certification, approval, insurance, etc. required for the Contractor to properly perform this contract, shall be grounds for termination of this contract by the State.
2. Qualification: Contractor certifies that it is qualified to perform such services or provide such deliverables as delineated in this contract.
3. Exclusion, Debarment and/or Suspension: Contractor represents and warrants that Contractor, or its employees or authorized subcontractors, are not presently excluded from participation, debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded, or otherwise ineligible to participate in a "federal health care program" as defined in 42 U.S.C. § 1320a-7b(f) or in any other government payment program by any federal or State of Colorado department or agency. In the event Contractor, or one of its employees or authorized subcontractors, is excluded from participation, or becomes otherwise ineligible to participate in any such program during the Term, Contractor will notify the State in writing within three (3) days after such event. Upon the occurrence of such event, whether or not such notice is given to

Contractor, the State reserves the right to immediately cease contracting with Contractor.

4. Work Performed Outside the United States or Colorado, pursuant to C.R.S. §24-102-206: The Contractor certifies all work performed under this Contract, including any subcontracts, is anticipated to be and will be performed within the United States or Colorado, unless otherwise specified in the Statement of Work. If work under this Contract is anticipated to be or will be performed outside the United States or Colorado, the countries and/or states where work will be performed, and the reasons it is necessary or advantageous to go outside the United States or Colorado to perform the work are also specified in the Statement of Work.

- G. Legal Authority: The Contractor warrants that it possesses the legal authority to enter into this contract and that it has taken all actions required by its procedures, by-laws, and/or applicable law to exercise that authority, and to lawfully authorize its undersigned signatory to execute this contract and bind the Contractor to its terms. The person(s) executing this contract on behalf of the Contractor warrant(s) that such person(s) have full authorization to execute this contract.

Indemnification: To the extent authorized by law, the Contractor shall indemnify, save, and hold harmless the State against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Contractor, or its employees, agents, subcontractors, or assignees pursuant to the terms of this contract. No term or condition of this contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions for the parties, of the Colorado Governmental Immunity Act, CRS 24-10-101 et seq. or the federal Tort Claims Act, 28 U.S.C. 2671 et seq. as applicable, as now or hereafter amended. The Contractor, by execution of this contract containing this indemnification clause, does not waive the operation of any law concerning the parties' ability to indemnify. The Contractor does not by this Agreement irrevocably pledge present cash reserves for payments in future fiscal years. This Contract is not intended to create a multiple-fiscal year debt of the Contractor.

[Applicable Only to Intergovernmental Contracts]

1. Contractor

- a. Contractor shall show proof of such insurance satisfactory to the State, if requested by the State. Contractor shall require each contract with a Subcontractor that is a public entity, to include the insurance requirements necessary to meet such Subcontractor's liabilities under the GIA.
- b. Non-Public Entities: If Contractor is not a "public entity" within the meaning of the GIA, Contractor shall obtain and maintain during the term of this Contract insurance coverage and policies meeting the same requirements set forth in provision I.2 below with respect to Subcontractors that are not "public entities".

2. Contractors – Subcontractors

Contractor shall require each contract with Subcontractors other than those that are public entities, providing Goods or Services in connection with this Contract, to include insurance requirements substantially similar to the following:

- a. Worker's Compensation: Worker's Compensation Insurance as required by State statute, and Employer's Liability Insurance covering all of Contractor or Subcontractor employees acting within the course and scope of their employment.
- b. General Liability: Commercial General Liability Insurance written on ISO occurrence form CG 00 01 10/93 or equivalent, covering premises operations, fire damage, independent contractors, products and completed operations, blanket contractual liability, personal injury, and advertising liability with minimum limits as follows:
 - (a) \$1,000,000 each occurrence;
 - (b) \$1,000,000 general aggregate;
 - (c) \$1,000,000 products and completed operations aggregate; and
 - (d) \$50,000 any one fire.

If any aggregate limit is reduced below \$1,000,000 because of claims made or paid, Subcontractor shall immediately obtain additional insurance to restore the full aggregate limit and furnish to Contractor a certificate or other document satisfactory to Contractor showing compliance with this provision.

c. Automobile Liability: Automobile Liability Insurance covering any auto (including owned, hired and non-owned autos) with a minimum limit of \$1,000,000 each accident combined single limit.

d. Professional Liability: Professional liability insurance with minimum limits of liability of not less than \$1,000,000, unless waived by the State.

e. Privacy Insurance

f. Additional Insured: The State shall be named as additional insured on all Commercial General Liability and Automobile Liability Insurance policies (leases and construction contracts require additional insured coverage for completed operations on endorsements CG 2010 11/85, CG 2037, or equivalent) required of Contractor and any Subcontractors hereunder.

g. Primacy of Coverage: Coverage required of Contractor and Subcontractor shall be primary over any insurance or self-insurance program carried by Contractor or the State.

h. Cancellation: The above insurance policies shall include provisions preventing cancellation or non-renewal without at least 30 days prior notice to Contractor and Contractor shall forward such notice to the State in accordance with provision E. Notice and Representatives within seven days of Contractor's receipt of such notice.

i. Subrogation Waiver: All insurance policies in any way related to this Contract and secured and maintained by Contractor or its Subcontractors as required herein shall include clauses stating that each carrier shall waive all rights of recovery, under subrogation or otherwise, against Contractor or the State, its

agencies, institutions, organizations, officers, agents, employees, and volunteers.

3. Certificates: Contractor and all Subcontractors shall provide certificates showing insurance coverage required hereunder to the State within seven business days of the Effective Date of this Contract. No later than 15 days prior to the expiration date of any such coverage, Contractor and each Subcontractor shall deliver to the State or Contractor certificates of insurance evidencing renewals thereof. In addition, upon request by the State at any other time during the term of this Contract or any subcontract, Contractor and each Subcontractor shall, within 10 days of such request, supply to the State evidence satisfactory to the State of compliance with the provisions of this provision I.

J. Disaster Planning and Pandemic Outbreaks: The State may require the Contractor to submit a Disaster Response Plan (Plan) to ensure the delivery hereunder of essential government services during a disaster, declared emergency, and/or pandemic outbreak. The Plan would take precedence over and nullify any contractual provision relating to force majeure or "Acts of God." Accordingly, should the work performed by the Contractor under this contract include the provision of any essential government services, the State may request a Plan from the Contractor, and, upon such request, the Contractor shall forthwith submit a Plan, and the Contractor shall be bound to perform hereunder in accordance therewith.

K. Rights in Data, Documents and Computer Software or Other Intellectual Property:

All intellectual property including without limitation, databases, software, documents, research, programs and codes, as well as all, reports, studies, data, photographs, negatives or other documents, drawings or materials prepared by the contractor in the performance of its obligations under this contract shall be the exclusive property of the State. Unless otherwise stated, all such materials shall be delivered to the State by the contractor upon completion, termination, or cancellation of this contract. Contractor shall not use, willingly allow or cause to have such materials used for any purpose other than the performance of the contractor's obligations under this contract without a prior written consent of the State. All documentation, accompanying the intellectual property or otherwise, shall comply with the State requirements which include but is not limited to all documentation being in a paper, human readable format which is useable by one who is reasonably proficient in the given subject area.

- L. Proprietary Information: Proprietary information for the purpose of this contract is information relating to a party's research, development, trade secrets, business affairs, internal operations and management procedures and those of its customers, clients or affiliates, but does not include information lawfully obtained by third parties, which is in the public domain, or which is developed independently.

Neither party shall use or disclose directly or indirectly without prior written authorization any proprietary information concerning the other party obtained as a result of this contract. Any proprietary information removed from the State's site by the Contractor in the course of providing services under this contract will be accorded at least the same precautions as are employed by the Contractor for similar information in the course of its own business.

- M. Records Maintenance, Performance Monitoring & Audits: The Contractor shall maintain a complete file of all records, documents, communications, and other materials that pertain to the operation of the program/project or the delivery of services under this contract. Such files shall be sufficient to properly reflect all direct and indirect costs of labor, materials, equipment, supplies and services, and other costs of whatever nature for which a contract payment was made. These records shall be maintained according to generally accepted accounting principles and shall be easily separable from other Contractor records.

The Contractor shall protect the confidentiality of all records and other materials containing personally identifying information that are maintained in accordance with this contract. Except as provided by law, no information in possession of the Contractor about any individual constituent shall be disclosed in a form including identifying information without the prior written consent of the person in interest, a minor's parent, guardian, or the State. The Contractor shall have written policies governing access to, duplication and dissemination of, all such information and advise its agents, if any, that they are subject to these confidentiality requirements. The Contractor shall provide its agents, if any, with a copy or written explanation of these confidentiality requirements before access to confidential data is permitted.

The Contractor authorizes the State, the federal government or their designee, to perform audits and/or inspections of its records, at any reasonable time, to assure compliance with the state or federal government's terms and/or to evaluate the Contractor's performance. Any amounts the State

paid improperly shall be immediately returned to the State or may be recovered in accordance with other remedies.

All such records, documents, communications, and other materials shall be the property of the State unless otherwise specified herein and shall be maintained by the Contractor, for a period of three (3) years from the date of final payment or submission of the final federal expenditure report under this contract, unless the State requests that the records be retained for a longer period, or until an audit has been completed with the following qualification. If an audit by or on behalf of the federal and/or state government has begun but is not completed at the end of the three (3) year period, or if audit findings have not been resolved after a three (3) year period, the materials shall be retained until the resolution of the audit findings.

The Contractor shall permit the State, any other governmental agency authorized by law, or an authorized designee thereof, in its sole discretion, to monitor all activities conducted by the Contractor pursuant to the terms of this contract. Monitoring may consist of internal evaluation procedures, reexamination of program data, special analyses, on-site verification, formal audit examinations, or any other procedures as deemed reasonable and relevant. All such monitoring shall be performed in a manner that will not unduly interfere with contract work.

- N. Taxes: The State, as purchaser, is exempt from all federal excise taxes under Chapter 32 of the Internal Revenue Code [No. 84-730123K] and from all state and local government use taxes [C.R.S. §39- 26-114(a) and 203, as amended]. The contractor is hereby notified that when materials are purchased for the benefit of the State, such exemptions apply except that in certain political subdivisions the vendor may be required to pay sales or use taxes even though the ultimate product or service is provided to the State. These sales or use taxes will not be reimbursed by the State.
- O. Conflict of Interest: During the term of this contract, the Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the Contractor fully performing his/her obligations under this contract.

Additionally, the Contractor acknowledges that, in governmental contracting, even the appearance of a conflict of interest is harmful to the interests of the

State. Thus, the Contractor agrees to refrain from any practices, activities or relationships which could reasonably be considered to be in conflict with the Contractor's fully performing his/her obligations to the State under the terms of this contract, without the prior written approval of the State.

In the event that the Contractor is uncertain whether the appearance of a conflict of interest may reasonably exist, the Contractor shall submit to the State a full disclosure statement setting forth the relevant details for the State's consideration and direction. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the apparent conflict shall be grounds for termination of the contract.

Further, the Contractor shall maintain a written code of standards governing the performance of its agent(s) engaged in the award and administration of contracts. Neither the Contractor nor its agent(s) shall participate in the selection, or in the award or administration of a contract or subcontract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

1. The employee, officer or agent;
2. Any member of the employee's immediate family;
3. The employee's partner; or
4. An organization which employees, or is about to employ, any of the above,

has a financial or other interest in the firm selected for award. Neither the Contractor nor its agent(s) will solicit nor accept gratuities, favors, or anything of monetary value from Contractor's potential contractors, or parties to subagreements.

P. R. Statewide Contract Management System:

1. When Applicable. If the maximum amount payable to Contractor under this Contract is \$100,000 or greater, either on the Effective Date or at anytime thereafter, this provision applies.

Evaluation and Review of Contractor's performance shall be part of the normal contract administration process and Contractor's performance will be systematically recorded in the statewide Contract Management System. Areas of Evaluation and Review shall include without limitation quality, cost and timeliness. Collection of information relevant to the performance of Contractor's obligations under this Contract shall be determined by the specific requirements of such obligations and shall include factors tailored to match the requirements of Contractor's obligations hereunder. Such performance information shall be entered into the statewide Contract Management System at intervals during the term hereof determined appropriate by the State, and

a final Evaluation, Review and Rating shall be rendered by the State within 30 days of the end of the Contract term. Contractor shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Gross Failure to Meet Performance Measures.

Should the final performance Evaluation and Review determine that Contractor demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel and Administration (Executive Director), upon request by the Department of Human Services, for good cause shown, may debar Contractor and prohibit Contractor from bidding on future contracts. Contractor may contest the final Evaluation and Review and Rating by: (a) filing rebuttal statement(s), which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Contractor by the Executive Director upon showing of good cause.

S. Performance Ratings and Guidelines:

The Contractor will be given a Final Contractor Performance Evaluation at the end of the contract term in accordance with C.R.S. §24-102-205(6) and General Provision R. above. The list of available Performance Ratings, along with guidelines for what final rating will be given, are as follows:

1. Above Standard: This rating may be given where Contractor consistently performs in a manner that exceeds the requirements of this Contract, and where such performance is measurable against objective factors specifically identified for use in achieving the purposes of this provision. If applicable to work performed under this Contract, the objective factors and performance required to merit an "Above Standard" rating are specified in a so dedicated Exhibit to this Contract, which may be included herein from the start of the contract or subsequently be added by formal contract amendment at any time before the end of the contract term. If there is no such dedicated Exhibit included or subsequently added herein, this rating is unavailable.

2. Standard: This rating will be given where: 1.) Contractor's performance hereunder meets the requirements of this Contract in areas of quality, cost, and timeliness; 2.) Contractor's work is accepted by the State; and 3.) full payment hereunder is made to Contractor for such performance.

3. Below Standard: This rating may be given where Contractor materially fails to perform the requirements of this Contract and such failure results in the State's invocation of contract remedies and/or contract termination in accordance with General Provision X. below

T. Discrimination: The Contractor during the performance of this contract shall:

1. not discriminate against any person on the basis of race, color, national origin, age, sex, religion and handicap, including Acquired Immune Deficiency Syndrome (AIDS) or AIDS related conditions.
2. not exclude from participation in, or deny benefits to any qualified individual with a disability, by reason of such disability.

Any person who thinks he/she has been discriminated against as related to the performance of this contract has the right to assert a claim, Colorado Civil Rights Division, C.R.S. §24-34-302, et seq.

U. Criminal Background Check: Pursuant to C.R.S. §27-90-111 and Department of Human Services Policy VI-2.4, any independent contractor, and its agent(s), who is designated by the Executive Director or the Executive Director's designee to be a contracting employee under C.R.S. §27-90-111, who has direct contact with vulnerable persons in a state-operated facility, or who provides state-funded services that involve direct contact with vulnerable persons in the vulnerable person's home or residence, shall: submit to a criminal background check, and report any arrests, charges, or summonses for any disqualifying offense as specified by C.R.S. §27-90-111 to the State. Any Contractor or its agent(s), who does not comply with C.R.S. §27-90-111 and DHS Policy VI-2.4, may, at the sole discretion of the State, be suspended or terminated.

V. Litigation: The Contractor shall within five (5) calendar days after being served with a summons, complaint, or other pleading which has been filed in any federal or state court or administrative agency notify the State that it is a party defendant in a case which involves services provided under this contract. The Contractor shall deliver copies of such document(s) to the State's Executive Director. The term "litigation" includes an assignment for the benefit of creditors, and filings in bankruptcy, reorganization and/or foreclosure.

W. Disputes: Except as herein specifically provided otherwise, disputes concerning the performance of this contract which cannot be resolved by the designated contract representatives shall be referred in writing to a senior departmental management staff designated by the department and a senior manager designated by the Contractor. Failing resolution at that level, disputes shall be presented in writing to the Executive Director and the Contractor's chief executive officer for resolution. This process is not intended to supersede any other process for the resolution of controversies provided by law.

X. Remedies: Acceptance is dependent upon completion of all applicable inspection procedures. The State reserves the right to inspect the goods and/or services provided under this contract at all reasonable times and places. The Executive Director of the State or her/his designee may exercise the following remedial actions should s/he find the Contractor substantially failed to satisfy the scope of work found in this contract. Substantial failure to satisfy the scope of work shall be defined to mean substantially insufficient, incorrect or improper activities or inaction by the Contractor. Without limitation, the State has the right to:

1. withhold payment until performance is cured,
2. require the vendor to take necessary action to ensure that the future performance conforms to contract requirements,
3. request removal of a Contractor's agent from contract work,
4. equitably reduce the payment due the vendor to reflect the reduced value of the services performed,
5. recover payment for work that due to the Contractor cannot be performed or would be of no value to the State,
6. modify or recover payments (from payments under this contract or other contracts between the State and the vendor as a debt due to the State) to correct an error due to omission, error, fraud and/or defalcation,
7. terminate the contract

These remedies in no way limit the remedies available to the State in the termination provisions of this contract, or remedies otherwise available at law.

Y. Termination:

1. Termination for Default: The State may terminate the contract for cause. If the State terminates the contract for cause, it will first give ten (10) days prior written notice to the Contractor, stating the reasons for cancellation,

procedures to correct problems, if any, and the date the contract will be terminated in the event problems have not been corrected. In the event this contract is terminated for cause, the State will only reimburse the Contractor for accepted work or deliverables received up to the date of termination. In the event this contract is terminated for cause, final payment to the Contractor may be withheld at the discretion of the State until completion of final audit. Notwithstanding the above, the Contractor may be liable to the State for the State's damages. If it is determined that the Contractor was not in default then such termination shall be treated as a termination for convenience as described herein.

2. Termination for Convenience: The State shall have the right to terminate this contract by giving the Contractor at least twenty (20) days prior written notice. If notice is so given, this contract shall terminate on the expiration of the specified time period, and the liability of the parties hereunder for further performance of the terms of this contract shall thereupon cease, but the parties shall not be released from the duty to perform their obligations up to the date of termination.
3. Immediate Termination: This contract is subject to immediate termination by the State in the event that the State determines that the health, safety, or welfare of persons receiving services may be in jeopardy. Additionally, the State may immediately terminate this contract upon verifying that the Contractor has engaged in or is about to participate in fraudulent or other illegal acts.
4. Termination for Financial Exigency: The State shall have the right to terminate this contract for financial exigency by giving the Contractor at least thirty (30) days prior written notice. For the purposes of this provision, a financial exigency shall be a determination made by the Colorado legislature or its Joint Budget Committee that the financial circumstances of the State are such that it is in the best interest of the State to terminate this contract. If notice of such termination is so given, this contract shall terminate on the expiration of the time period specified in the notice, and the liability of the parties hereunder for further performance of the terms of this contract shall thereupon cease, but the parties shall not be released from the duty to perform their obligations up to the date of termination.

In the event that the State terminates this contract under the Termination for Convenience

or Termination for Financial Exigency provisions, the Contractor is entitled to submit a termination claim within ten (10) days of the effective date of termination. The termination claim shall address and the State shall consider paying the following costs:

- b. reasonable and necessary costs incurred in preparing to perform the terminated portion of the contract
- c. reasonable profit on the completed but undelivered work up to the date of termination
- d. the costs of settling claims arising out of the termination of subcontracts or orders, not to exceed 30 days pay for each subcontractor

AA. Understanding of the Parties:

1. Complete Understanding: This contract is intended as the complete integration of all understandings between the parties. Descriptive headings as used herein are for convenience and shall not control or affect the meaning or construction of any provision of this contract.
2. Severability: To the extent that this contract may be executed and performance of the obligations of the parties may be accomplished within the intent of the contract, the terms of this contract are severable, and should any term or provision hereof be declared invalid or become inoperative for any reason, such invalidity or failure shall not affect the validity of any other term or provision hereof.

It is the express intention of the State and the Contractor that any such person or entity, other than the State or the Contractor, receiving services or benefits under this agreement shall be deemed an incidental beneficiary only.
4. Waiver: The waiver of any breach of a term hereof shall not be construed as a waiver of any other term, or the same term upon subsequent breach.

Also, the Contractor warrants and agrees that all subgrants or subcontracts shall include a provision that the subgrantor or subcontractor shall indemnify and hold harmless the State. The subgrants or subcontractors must be certified to work on any equipment for which their services are obtained.

BB. Holdover: In the event that the State desires to continue the services provided for in this Contract and a replacement contract has not been fully executed by the expiration date of the Contract, this Contract may be extended unilaterally by the State for a period of up to two (2) months upon written notice to the Contractor under the same terms and

conditions of the original Contract including, but not limited to, prices, rates, and service delivery requirements. However, this extension terminates when the replacement contract becomes effective when signed by the State Controller or an authorized delegate

Exhibit A – Statement of Work

A. Background

For purposes of this Exhibit A, Contractor may also be referred to as “County.” The State has entered into a contract (“Universal Membership Agreement”)(State contract routing number 16 IHEA 83111)(Exhibit B) with TALX Corporation, a provider of Equifax Verification Services (“EVS”) and intends to execute an amendment (“Schedule A”)(State contract routing number 16 IHEA 87603)(Exhibit C) to the Universal Membership Agreement (collectively “Work Number Agreement”). The Work Number Agreement allows EVS to provide employment verification services directly to Colorado counties. The State acts only as a pass-through entity, meaning that EVS will bill the State for fees incurred by the counties, and the State will then bill the counties individually.

The Work Number Agreement is between the State and EVS with participating counties each signing Participation Agreements (see Exhibit 1 to Universal Membership Agreement). The Work Number Agreement obligates the counties collectively and Contractor individually to pay EVS via the State for services rendered so the State and County are entering into this Contract to memorialize the State’s and County’s responsibilities as they relate to the Work Number Agreement.

B. Payment

County shall pay the State for County’s use of services within the scope of the Work Number Agreement. The State shall promptly pass through County’s payments to EVS in accordance with the Work Number Agreement. Except within its role as a pass through entity, the State is not liable for County’s obligations incurred under this Contract or the Work Number Agreement. The State shall provide each County an invoice at least 30 days prior to the date the payment is due to EVS. The State shall ensure that any payment to the State is paid over to EVS prior to the date that payment is due to EVS.

C. Annual Minimum

The Work Number Agreement by the terms of the Schedule A obligates each Participating County, through the State as the pass-through entity, to pay the Participating County’s proportionate share of the Annual Minimum Payment as set forth in this Intergovernmental Agreement and Exhibit 1 to the Schedule A. The Annual Minimum Payment is \$912,450.00, which is based upon an estimated 165,000 income verification requests at \$5.53 per income verification request. County’s responsibility for its share of any deficiency survives termination of this Contract or the Work Number Agreement.

County is responsible for its percentage of the Annual Minimum Payment based upon the following formula:

[County’s Average Previous Usage] / [Total Participating counties’ Previous Usage] = County Percentage

[County Percentage] X [Annual Minimum Payment] = County Financial Obligation

IF County’s Actual Annual Payment is less than County’s Financial Obligation, THEN County is considered a Deficient County and shall pay any deficiency according to the following formula:

[Annual Minimum Payment] – [Total Actual Annual Payment] = Total Deficiency

[County Financial Obligation] – [County Actual Annual Payment] = County Deficiency

[County Deficiency] / [Total counties’ Deficiency] = Deficient County Percentage

[Deficient County Percentage] X [Total Deficiency] = Deficient County Payment to State

This table represents each county's financial obligation:

D. Miscellaneous Provisions

1. 1. State is acting as a fiscal agent for County, passing through payment of all costs from County to EVS, including the Annual Minimum Payment. The State shall not be liable for any debt or payment obligation, including the Annual Minimum Payment, incurred by County pursuant to this Contract or the Work Number Agreement, provided, however, that any failure by the State to pass through such payments from County shall constitute a breach of this Contract by the State. The State shall be obligated to pay over to EVS any funds received from a County. Upon breach of this agreement by the State, the County shall have the right to terminate this Contract upon written notice and at least thirty (30) days in which the State may cure the breach or any other remedy allowed by law. If County fails to pay the State for County's costs incurred under this Contract or the Work Number Agreement, the State shall have the right to terminate this Contract upon written notice and at least thirty (30) days in which County may cure the breach.
2. The Work Number Agreement is for the benefit of County. Any amendments or changes to the Work Number Agreement or any new Schedule A or amendments to Schedule A must be signed by or approved by a person authorized by the governing body for each County in accordance with the County's local procedures prior to the amendment or change being effective as to a participating county. The State shall not execute amendments or revisions to the Work Number Agreement or Schedule A that bind any participating county without the participating counties' consent as provided herein.
3. County's liability for any unpaid fees owed under this Contract or the Work Number Agreement shall survive termination of this Contract as to County who has not paid all required fees until the State receives payment from County.
4. Annual Termination: Unless specified elsewhere in this Contract or the Work Number Agreement, the State or County may only terminate this Contract, upon 60 days written notice, so as to align with the end of an annual term stated in the Work Number Agreement. If a County elects to terminate it shall not be obligated to expend any funds, including any annual minimum payment, for the years following its termination.
5. The State may execute similar agreements with new counties not originally part of this Contract or the Work Number Agreement. If the State executes a similar agreement with a new county or counties, the State and County will recalculate the annual minimum for the subsequent annual term.
