In addition to any breaches specified in other sections of this Grant, the failure of either Party to perform any of its material obligations hereunder in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Grantee, or the appointment of a receiver or similar officer for Grantee or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Grant in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Grantee is in breach under any provision of this Grant, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Grant following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

If Grantee fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Grantee of such non-performance in accordance with the provisions herein. If Grantee thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. Exercise by the State of this right shall not be deemed a breach of its obligations hereunder. Grantee shall continue performance of this Grant to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Grantee shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Grantee shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Grant's terms. At the sole discretion of the State, Grantee shall assign to the State all of Grantee's right, title, and interest under such terminated orders or subcontracts. Upon termination, Grantee shall take timely, reasonable and necessary action to protect and preserve property in the possession of Grantee in which the State has an interest. All materials owned by the State in the possession of Grantee shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Grantee to the State and shall become the State's property.

ii. Payments

The State shall reimburse Grantee only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Grantee was not in breach or that Grantee's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Grant had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Grantee also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Grantee and the State may withhold any payment to Grantee for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Grantee is determined. The State may withhold any amount that may be due to Grantee as the State deems necessary to protect the State, including loss as a result of outstanding liens or claims of former lien holders, or to reimburse the State for the excess costs incurred in procuring similar goods or services. Grantee shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Grant for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Grant by the State for cause or breach by Grantee, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Grantee of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.

ii. Obligations and Rights

Upon receipt of a termination notice, Grantee shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Grant is terminated by the State pursuant to this §15(B), Grantee shall be paid an amount which bears the same ratio to the total reimbursement under this Grant as the Services satisfactorily performed bear to the total Services covered by this Grant, less payments previously made. Additionally, if this Grant is less than 60% completed, the State may reimburse Grantee for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Grant) incurred by Grantee which are directly attributable to the uncompleted portion of Grantee's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Grantee hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Grantee's performance with respect to all or any portion of this Grant pending necessary corrective action as specified by the State without entitling Grantee to an adjustment in price/cost or performance schedule. Grantee shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Grantee after the suspension of performance under this provision.

Grantee may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Grantee, by the Executive Director, upon a showing of good cause.

1. The Grantee shall submit to the Division of Criminal Justice (DCJ), who will then forward to the Bureau of Justice Assistance, for review and approval any curricula, training materials, proposed publications, reports, or any other written materials that will be published, including web-based materials and web site content, through funds from this grant at least thirty (30) working days prior to the targeted dissemination date.. Any written, visual, or audio publications, with the exception of press releases, whether published at the grantee's or government's expense, shall contain the following statements:

"This project was supported by Grant #2016-MU-BX-0115 awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Department of Justice's Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, and the Office for Victims of Crime, and the SMART Office. Points of view or opinions in the document are those of the author and do not necessarily represent the official position or policies of the United States Department of Justice."

The current edition of the OJP Financial Guide provides guidance on allowable printing and publication activities.

2. Any Web site that is funded in whole or in part under this award must include the following statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a Web-based service, including any pages that provide results or outputs from the service:

"This Web site is funded in whole or in part through a grant from the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice. Neither the U.S. Department of Justice nor any of its components operate, control, are responsible for, or necessarily endorse, this Web site (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)."
The full text of the foregoing statement must be clearly visible on the home page. On other pages, the statement may be included through a link, entitled "Notice of Federal Funding and Federal Disclaimer," to the full text of the statement.

3. The Division of Criminal Justice, its federal funding agency, and others authorized by the Division, reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under an award or subaward; and (2) any rights of copyright to which a recipient/grantee or subrecipient/subgrantee purchases ownership with Federal support.

The grantee acknowledges that DCJ and OJP have the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under an award or subaward; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data - General).

It is the responsibility of the grantee/recipient (and of each subgrantee/subrecipient, if applicable) to ensure that this condition is included in any subaward under this award.

The grantee/recipient has the responsibility to obtain from subgrantees/subrecipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the grantee's/recipient's obligations to the Government under this award. If a proposed subgrantee/subrecipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the grantee/recipient shall promptly bring such refusal to the attention of the DCJ program manager for the award and not proceed with the agreement in question without further authorization from DCJ.

4. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income, if allowed under this grant, earnings and expenditures both must be reported quarterly to DCJ.

5. The Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

6. The Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accordance with requirements of 28 C.F.R. part 22 and, in particular, section 22.23.

**7. Grantee understands and agrees that award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure list may be accessed here:
<https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.**

**8. Grantee understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA and DCJ. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here:
<https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.**

**9. Grantee understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here:
https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf.**

10. Grantee understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:

a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.

b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.

c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Grantee further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.

11. Grantee understands and agrees that failure to comply with conditions related to Prohibited or Controlled Expenditures may result in a prohibition from further Controlled Expenditure approval under this or other federal awards.

12. Food and beverages are not allowed per federal regulations unless prior approval has been received from the Office of Justice Programs (OJP). Permission for such expenditures must be requested through DCJ who will work with OJP. DCJ will contact grantee when/if such permission has been granted by OJP and no funds can be expended for food and beverage until such approval has been communicated to grantee by DCJ.

13. Gift cards and other similar incentives of any kind for program participants are not permitted with federal funds from the Office of Justice Programs (OJP).

14. The Office of Justice Programs (OJP) revised its “Policy and Guidance for Conference Approval, Planning and Reporting”. This policy defines conferences broadly to include meetings, retreats, seminars, symposiums, events, and group training activities. In response to these changes, DCJ created a form that all grantees must complete for each meeting for which federal funds will be spent. There is no need to submit this form to DCJ if you respond NO to all the questions, but complete and keep the form in your file for auditing purposes. If any answers are YES, contact your DCJ grant manager immediately to assure those expenses can be paid for with federal funds. The DCJ Conference Policy and Certification Form is located at <http://dcj.state.co.us/home/grants>.

15. The Office of Justice Programs (OJP) has created a Frequently Asked Questions (FAQ) discussing how twelve-step programs are considered inherently (or explicitly) religious activities under federal civil rights laws and provides subrecipients guidance on the conditions under which they may offer twelve-step recovery programs consistent with federal civil rights laws as a part of the services they provide. For further information and to access the Frequently Ask Questions (FAQ) document, go to http://www.ojp.usdoj.gov/about/ocr/pdfs/TwelveStepRecoveryPrograms_FAQs.pdf. If you have questions regarding this OJP Guidance and include twelve-step programs in your menu of services, please contact your DCJ Grant Manager.

16. The Grantee agrees to participate in a data collection process measuring program outputs and outcomes; and to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.

17. Grantee integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The grantee must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of grantee obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <http://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

18. The grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

19. The grantee understands that, pursuant to recommendation 2.1 of Executive Order 13688, law enforcement agencies that acquire controlled equipment through Federal programs must adopt robust and specific written policies and protocols governing General Policing Standards and Specific Controlled Equipment Standards. General Policing Standards includes policies on (a) Community Policing; (b) Constitutional Policing; and (c) Community Input and Impact Considerations. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. Upon OJP's request, the recipient agrees to provide a copy of the General Policing Standards and Specific Controlled Equipment Standards, and any related policies and protocols.

20. The project, as it relates to the area of computerized information systems:

- a. Must meet all State and Federal standards and protocols as appropriate.**
- b. Must be designed to allow for interaction with State and Federal systems, and be linked to the Colorado Crime Information Center (CCIC) whenever possible.**
- c. g. Grantee agrees to use the Global Justice Data Model (Global JXDM), also referred to as the Global Justice XML Data Model, specifications and guidelines for this information systems project. Grantees shall publish and make available without restriction all schemas (extensions, constraint and proxy) generated as a result of this grant to the component registry as specified in the guidelines. This information is available at www.it.ojp.gov/jixdm. If the Grantee believes that this project should be exempt from the Global JXDM requirement, they must submit to the Division of Criminal Justice a written statement explaining why they believe the project does not need to follow this Global JXDM provision and are therefore requesting exemption from this requirement. The Division of Criminal Justice will review and respond in writing to the request either affirming the requirement or granting an exemption.

h. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdiction, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the Grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

i. To support public safety and justice information sharing, OJP requires the Grantee to use the National Information Exchange Model (NIEM) specifications and guidelines for this particular grant. Grantee shall publish and make available without restriction all schemas generated as a result of this grant to the component registry as specified in the guidelines. For more information on compliance with this special condition, visit <http://www.niem.gov/implementationguide.php>.

j. The Grantee agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.

k. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.it.ojp.gov/gsp_grantcondition. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

21. The Office of Justice Programs (OJP) has written a “mandatory wear” policy for grantees who wish to purchase vests with JAG funds. Grantees must certify that law enforcement agencies receiving vests have a written policy in effect. FAQs related to the mandatory wear policy and certifications can be found at www.bja.gov/Funding/JAGFAQ.pdf. This policy must be in place for at least all uniformed officers before any JAG funds can be used by the agency for vests. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty. The certification must be signed by the authorized official and must be submitted to DCJ. If the grantee proposes to change project activities to utilize JAG funds to purchase bulletproof vests after the application period (during the project period), the grantee must submit the signed certification to DCJ at that time. A mandatory wear concept and issues paper and a model policy are available by contacting the BVP Customer Support Center at atvests@usdoj.gov or toll free at 1-877-758-3787. A copy of the certification related to the mandatory wear can be found at: www.bja.gov/Funding/13JAGBVPcert.pdf.

22. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). In addition, ballistic-resistant and stab-resistant body armor purchased must be Americanmade. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safetyinitiative.htm>.

23. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.

24. The grantee agrees to assist the Bureau of Justice Assistance (BJA) in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact DCJ.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are: a. New construction; b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places; c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size; d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA or DCJ, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

Grantee's failure to provide reports and other grant requirements, meet monitoring site visit evaluations and notify the State in a timely manner in accordance with §8 of the body of the grant agreement may result in the delay of payment of funds until a final resolution is determined and/or termination as provided under this Grant. The Division of Criminal Justice (DCJ) staff and the Grantee will mediate any non-compliance issues for a resolution. If DCJ staff and the Grantee cannot negotiate a resolution, the issue can be elevated to the Director of the DCJ for final resolution.

Grantee agrees to comply with the current edition of the U.S. Department of Justice (DOJ) Grants Financial Guide as posted on the Office of Justice Programs (OJP) or the Office on Violence Against Women (OVW) websites (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

B. FEDERAL AWARDS ISSUED AFTER DECEMBER 26, 2014 - 2 CFR PART 200 UNIFORM REQUIREMENTS

Grantee agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (the "Part 200 Uniform Requirements") which apply to this award.

For more information on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants") see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. FEDERAL FUND PROHIBITIONS AND ALLOWANCES

**A. USE OF FEDERAL FUNDS IN LAWMAKING / RESTRICTIONS ON
“LOBBYING” AND POLICY DEVELOPMENT**

Federal funds may not be used by the recipient, or any subrecipient (“subgrantee”) at any tier, either directly or indirectly, to support the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of DCJ, in order to avoid violation of 18 USC § 1913. DCJ will obtain the appropriate approvals from the DOJ awarding agency (OJP or OVW, as appropriate).

Recipients, or any OVW subrecipient (“subgrantee”), of OVW grant dollars may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 42 USC 13925(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Should any question arise as to whether a particular use of Federal funds by a recipient (or subrecipient/“subgrantee”) would or might fall within the scope of this prohibition, the recipient is to contact DCJ for guidance.

**B. COMPLIANCE WITH APPLICABLE RULES REGARDING APPROVAL,
PLANNING, AND REPORTING OF CONFERENCES, MEETINGS,
TRAININGS, AND OTHER EVENTS**

Grantee, and any subrecipient (“subgrantee”) at any tier, must comply with all applicable laws, regulations, policies, and official DOJ and DCJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide found on the DOJ awarding agency (OJP or OVW, as appropriate) website (currently, as section 3.10 of “Postaward Requirements” in the “2015 DOJ Grants Financial Guide”).

**C. COMPLIANCE WITH GENERAL APPROPRIATIONS-LAW
RESTRICTIONS ON THE USE OF FEDERAL FUNDS (FY 2016)**

Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at DOJ awarding agency website (OJP or OVW, as appropriate) <http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> or <https://www.justice.gov/ovw/grantees>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact DCJ for guidance, and may not proceed without the express prior written approval of DCJ.

(1) Restrictions applicable to all federal funds awarded by OVW or OJP in FY 2016

(a) Publicity or propaganda. Federal funds are not legally available, and may not be used (whether directly or indirectly, including by private contractors), for publicity or propaganda purposes not authorized by the Congress.

(b) Certain employee trainings. Federal funds are not legally available, and may not be used, for any employee training that—

- i. does not meet identified needs for knowledge, skills, and abilities bearing directly upon the performance of official duties;
- ii. contains elements likely to induce high levels of emotional response or psychological stress in some participants;
- iii. does not require prior employee notification of the content and methods to be used in the training and written end-of-course evaluation;
- iv. contains any methods or content associated with religious or quasi-religious belief systems or "new age" belief systems as defined in Equal Employment Opportunity Commission Notice N-915.022, dated September 2, 1988; or
- v. is offensive to, or designed to change, participants' personal values or lifestyle outside the workplace.

Nothing in this provision prohibits, restricts, or otherwise precludes an agency from conducting training bearing directly upon the performance of official duties.

(c) Nondisclosure policies, forms, and agreements.

i. General rule - Federal funds are not legally available, and may not be used, to implement or enforce any nondisclosure policy, form, or agreement, if such policy, form, or agreement does not contain the following provisions:

“These provisions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights, or liabilities created by existing federal statute or Executive Order relating to-- (1) classified information; (2) communications to Congress; (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety; or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by controlling Executive Orders and federal statutory provisions are incorporated into this agreement and are controlling.”

Notwithstanding the above provision, a nondisclosure policy, form, or agreement that is to be executed by a person connected with the conduct of an intelligence or intelligence-related activity, other than an employee or officer of the United States Government, may contain provisions appropriate to the particular activity for which such document is to be used. Such form or agreement shall, at a minimum, require that the person will not disclose any classified information received in the course of such activity unless specifically authorized to do so by the United States Government. Such nondisclosure forms shall also make it clear that they do not bar disclosures to Congress, or to an authorized official of an executive agency or the United States Department of Justice, that are essential to reporting a substantial violation of law.

ii. Certain exceptions. Under certain circumstances, a nondisclosure agreement that does not contain the provisions set out in subsection (a) above nevertheless may continue to be implemented and enforced. Should a question arise as to whether an exception to the general rule set out in subsection (a) may be available for a particular nondisclosure agreement, the recipient is to contact OJP for guidance, and the recipient may not use federal funds to implement, continue to implement, or enforce the nondisclosure agreement without the express prior written approval of OJP or OVW.

(d) ACORN and related organizations. Absent express prior written approval from OJP or OVW, federal funds may not be provided to the Association of Community Organizations for Reform Now (ACORN), or any of its affiliates, subsidiaries, allied organizations, or successors.

(2) Restrictions applicable only to certain federal funds under OJP awards made in FY 2016

(a) Nondiscrimination in programs involving students. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP or OVW are not legally available, and may not be used, to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or those of their parents or legal guardians.

(b) Blocking of pornography on computer networks. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP or OVW are not legally available, and may not be used, to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

Nothing in this provision limits the use of funds necessary for any federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, adjudication, or other law enforcement- or victim assistance-related activity.

(This provision also applies to any OJP or OVW award of other funds appropriated under the Commerce, Justice, Science, and Related Agencies Appropriations Act, 2016.)

(c) Award or incentive fees to contractors. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP or OVW are not legally available, and may not be used, to pay award or incentive fees for contractor performance that has been judged to be below satisfactory performance or for performance that does not meet the basic requirements of a contract. (This restriction also applies to any OJP or OVW award of other funds appropriated under the Commerce, Justice, Science, and Related Agencies Appropriations Act, 2016.)

(d) Use of funds in connection with abortion. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP or OVW are not legally available, and may not be used -- (1) to pay for an abortion, except where the life of the mother would be endangered if the fetus were carried to term, or in the case of rape or incest; or (2) to require any person to perform, or facilitate in any way the performance of, any abortion.

(e) "Pay-to-stay" at local jails. Funds appropriated to the Department of Justice through an annual appropriations statute and awarded by OJP or OVW are not legally available to, and may not be provided to, any local jail that runs a "pay-to-stay" program. (Monies in the Crime Victims Fund are not appropriated through an annual appropriations statute.)

D. DUPLICATION OF FUNDING

Grantee agrees that if it currently has other active awards of federal funds, or if the grantee receives any other award of federal funds during the period of performance for this award, the grantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the grantee must promptly notify DCJ in writing of the potential duplication, and, if so requested by DCJ, must seek a budget-modification and/or change in Statement of Work to eliminate any inappropriate duplication of funding.

E. NON-SUPPLANTING OF FUNDS

(1) Grantee certifies that any required matching funds used to pay the non-federal portion of the cost of this grant award are in addition to funds that would have otherwise been made available for the purposes of this project.

(2) Grantee certifies that federal funds made available under this grant:

(a) Will not be used to supplant state or local funds that would otherwise be available for activities under that grant.

(b) Where there is a reduced or unchanged local investment, then the Grantee shall give a written explanation demonstrating that the Grantee's reduced or unchanged commitment would have been necessitated even if federal financial support under this federal grant program had not been made available.

F. INDIRECT COST RATE

A grantee that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC).

G. CONSULTANT RATE

Approval of this award does not indicate approval of any consultant rate , if consultants are allowed under this award, in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to DCJ with DCJ Form 16 (Professional Services/Consultant Certificate) and approved by the federal awarding office (OJP or OVW) prior to obligation or expenditure of such funds. DCJ will forward requests to the federal awarding office (OJP or OVW) for approval. Grantees are required to maintain documentation to support all daily or hourly rates.

H. EMPLOYEE COMPENSATION

[Applicable to awards greater than \$250,000] Federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

I. SIMPLIFIED ACQUISITION THRESHOLD

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP or OVW considers a procurement "contract" (and therefore does not consider a subaward). Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

3. CIVIL RIGHTS COMPLIANCE

The Grantee hereby agrees that it will comply, and all of its recipients ("subgrants") will comply, with the applicable provisions of:

A. MEETING THE EEOP REQUIREMENT

Grantee acknowledges that failure to submit an acceptable Certification of Compliance with Regulations Regarding Civil Rights Requirements and Equal Employment Opportunity Plans (EEOP) -DCJ Form 30 may result in suspension of funding until such time as the grantee is in compliance, or termination of the award. Upon award, each Grantee will be required to do the following:

- (1) The Project Director must view all of the trainings on Civil Rights available on DCJ's website and acknowledge by providing an original signature that the project's staff will be made aware of all obligations regarding Civil Rights compliance;
- (2) Submit the form to the Grantee Agency's Authorized Official for this grant;
- (3) The Authorized Official must review the form in conjunction with Grantee personnel responsible for reporting civil rights findings of discrimination;
- (4) The Authorized Official must accurately complete the required information and provide all information requested;
- (5) The Authorized Official must provide an original signature on the form as indicated;
- (6) The DCJ Form 30 with original signature must be returned to DCJ with the Grant Agreement; and,
- (7) A copy of the DCJ Form 30 must be forwarded to the Grantee personnel responsible for reporting civil rights findings of discrimination at your agency/organization.

DCJ will forward a copy to the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

B. MEETING THE REQUIREMENT TO SUBMIT FINDINGS OF DISCRIMINATION

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the DCJ within 45 days of receipt of this grant award. DCJ will forward a copy to the Office for Civil Rights (OCR) at federal awarding office (OJP or OVW).

C. ENFORCING CIVIL RIGHTS LAWS

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

D. COMPLYING WITH THE SAFE STREETS ACT

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

E. ENSURING ACCESS TO FEDERALLY ASSISTED PROGRAMS

The Violence Against Women Reauthorization Act of 2013 amends the Violence Against Women Act of 1994 (VAWA) and includes a nondiscrimination grant condition that prohibits grantees from excluding, denying benefits to, or discrimination against any person on the basis on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity in funded programs or activities, in whole or in part, not only in employment but also in the delivery of services or benefits.

Federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

F. PROVIDING SERVICES TO LIMITED ENGLISH PROFICIENCY (LEP) INDIVIDUALS

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

G. ENSURING EQUAL TREATMENT FOR FAITH-BASED ORGANIZATIONS

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

Faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

H. USING ARREST AND CONVICTION RECORDS IN MAKING EMPLOYMENT DECISIONS

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at

http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf.

Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs).

I. ENSURING THE COMPLIANCE OF SUBGRANTEES

Grantee must have standard assurances to notify subgrantees of their civil rights obligations, written procedures to address discrimination complaints filed against subgrantees, methods to monitor subgrantees' compliance with civil rights requirements, and a program to train subgrantees on applicable civil rights laws.

J. COMPLIANCE WITH DOJ REGULATIONS PERTAINING TO CIVIL RIGHTS AND NONDISCRIMINATION - 28 C.F.R. PART 42

The grantee and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

4. FRAUD, WASTE, ERROR AND ABUSE

A. REPORTING POTENTIAL FRAUD, WASTE, ABUSE, AND SIMILAR MISCONDUCT

The grantee and any surecipient ("subgrantee") must promptly refer to the Department of Justice, Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subgrantee, contractor, subcontractor, or other person has, in connection with funds under this award -- 1) submitted a claim that violates the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by: mail: Office of the Inspector General U.S. Department of Justice Investigations Division 950 Pennsylvania Avenue, N.W. Room 4706 Washington, DC 20530; email: oig.hotline@usdoj.gov; hotline: (contact information in English and Spanish): (800) 869-4499; or hotline fax: (202) 616-9881. Additional information is available from the DOJ OIG website at www.usdoj.gov/oig.

B. RESTRICTIONS AND CERTIFICATIONS REGARDING NON-DISCLOSURE AGREEMENTS AND RELATED MATTERS

No grantee or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

(1) In accepting this award, the grantee:

(a) represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(b) certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to DCJ, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

(2) If the grantee does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both --

(a) it represents that it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(b) represents that it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

(c) it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to DCJ, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

C. COMPLIANCE WITH 41 U.S.C. 4712 (INCLUDING PROHIBITIONS ON REPRISAL; NOTICE TO EMPLOYEES)

The grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DCJ or the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

5. HIGH-RISK

Grantee agrees to comply with any additional requirements that may be imposed by DCJ during the grant performance for this award, if the grantee is designated as "high-risk".

6. REGISTRATION WITH THE SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS

Grantee agrees to comply with applicable requirements regarding registration with the System for Award Management (SAM), currently accessible at <http://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

Grantee also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the grantee's obligations related to SAM and to unique entity identifiers are posted on the OJP's website at <http://www.ojp.gov/funding/Explore/SAM.htm> and OVW's website <https://www.justice.gov/ovw/grantees> (Award condition: Registration with the System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

7. ENCOURAGEMENT OF POLICIES TO BAN TEXT MESSAGING WHILE DRIVING

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department of Justice (DOJ) encourages grantees and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

8. TRAINING GUIDING PRINCIPLES

Any training or training materials that the grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP or OVW award must adhere to the federal awarding agency (OJP or OVW, as appropriate) OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm> or OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/grantees>, as appropriate.

9. REQUIREMENT FOR DATA ON PERFORMANCE AND EFFECTIVENESS UNDER THE AWARD

Grantee and subrecipients ("subgrantees") must collect, maintain, and provide to DCJ, data that measure the performance and effectiveness of activities under this award, in the manner, and within the timeframes, specified by DCJ. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

Recipients of OVW grant dollars (Grantees and subgrantees) are required to collect the information that is included on the Measuring Effectiveness Progress Reports for the OVW Program under which this award is funded.

10. FEDERAL PUBLIC POLICY ASSURANCES

C. Grantee agrees to comply with the requirements of 28 C. F. R. Part 46 and all Department of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

11. FEDERAL STANDARD ASSURANCES AND CERTIFICATIONS

A. Standard Assurances

The grantee hereby assures and certifies compliance with all applicable Federal statutes, regulations, policies, guidelines, and requirements, including OMB Circulars A-21, A-87, A-102, A-110, A-122, A-133; Ex. Order 12372 (intergovernmental review of federal programs); and 28 C.F.R. pts. 66 or 70 (administrative requirements for grants and cooperative agreements). The grantee also specifically assures and certifies that:

EXHIBIT B1- STATEMENT OF WORK

Project Summary

Project Plan:

Describe the proposed strategy(ies) for addressing the problem stated in the Problem Statement section. Clearly link the strategy to the specified problem described. (maximum length = 6,500 characters)

iTHRIVE is an early intervention program for teens 12-17 years of age with a history of drug use. iTHRIVE also provides a parallel program for parents of these teens. JAG funds will allow iTHRIVE to add or expand services at the Adams 50 (Westminster), Adams 12 (Northglenn), Adams 14 (Commerce City), and Adams 27J (Brighton) school districts, and the Adams County juvenile detention facility. Fourteen iTHRIVE sessions will be delivered. iTHRIVE will deliver an additional 40 one-time iTHRIVE presentations to youth and parents in English and Spanish

iTHRIVE will serve as an alternative to suspension model for students caught on school property or at a school event with drugs or alcohol. Youth will also be identified by probation departments, diversion, 17th DA's Office, Adams County-based municipal courts and the Adams County juvenile detention facility.

TEEN SESSIONS

iTHRIVE provides a psycho-educational program for teens 12-17 that strives to eliminate juvenile drug and/or alcohol use, focusing on building positive skills and helping teens eliminate negative behaviors. The program is held over six weeks, with two hour evening sessions at local schools. An accelerated two week iTHRIVE program for teens will also be held at the Adams County juvenile detention facility.

Teen groups will be led by either Dr. Alexis Saccoman, iTHRIVE Program Director and licensed clinical psychologist with over 16 years of experience, or by Colt Smith, Certified Addiction Counselor (CAC) with extensive experience working in adolescent in-patient treatment centers.

During week 1, teens will identify their own goals, anxieties, and questions related to substance use, school, relationships, communication, and peer pressure. This information will form the basis for activities and discussion over the next five weeks. Sessions will focus on problem solving, coping with cravings and urges to use substances, substance refusal skills, and effective communication.

To build healthy habits and positive peer support, every week an expert, selected by the youth, will teach a new skill such as hip-hop, airbrush, meditation, video blogging, sculpturing or self-publishing. iTHRIVE will also provide field trips chosen by the teens, such as hiking, job shadowing and rock climbing. Additionally, iTHRIVE will host a sobriety support group for teens, and Friday evening activities such as art, music, table tennis, and video games.

PARENT SESSIONS

The parents/guardians group meets at the same time and location as the teen class. Parents groups will be led by either Leon Bartholomay, a CAC III counselor with over 35 years of experience in the addictions field, or Nick Thompson, a Licensed Clinical Social Worker with over 15 years of experience with at-risk teens and their families.

Classes will include a clinical discussion about marijuana's impact on teen's neurochemistry, including psychosis and depression, and warning signs for marijuana use. Workshop topics will also focus on adolescent development, teen belief systems, setting boundaries, fighting fair, conflict resolution and

improved communication. Love and Logic parenting tools will help parents develop fair consequence and reward systems. Parents will participate in role-playing activities to practice what they are learning, and share how they are applying previous lessons.

FIDELITY

The iTHRIVE Program Director will oversee staff, provide clinical supervision individually and at weekly staff meetings. The proposed iTHRIVE team is experienced in implementing the model in other settings.

EVIDENCE

iTHRIVE uses the Cannabis Youth Treatment (CYT)'s Family Support Network for Adolescent Cannabis Users intervention for both its parent and youth classes. The Center for Substance Abuse Treatment (CSAT) of the Substance Abuse and Mental Health Services Administration (SAMHSA) funded CYT to identify and field test promising adolescent treatments. A study of 600 adolescents randomly assigned to treatment and control groups found that CYT interventions improved treatment outcomes, increased the percent of those continuing their recovery and abstinence from marijuana.

iTHRIVE also uses the evidenced-based positive youth development model (PYD). Evidence has found that PYD focus on protective factors can limit drug and alcohol use, and connect youth to positive peer groups, and improve school success (National Research Council, Institute of Medicine, Community Programs to Promote Youth Development, 2002).

iTHRIVE counselors also use cognitive behavioral therapy (CBT), which has demonstrated effectiveness with substance abuse (Magill and Ray, 2009; Godly, 2013). CBT helps build interpersonal, coping skills, and drug refusal skills.

OUTREACH PREVENTATIONS/PREVENTION

iTHRIVE will reach an additional 1,200 youth through school-based presentations about the negative effects of drug and alcohol use on the adolescent brain and body, and coping skills and depression. Youth will respond to first person case studies documenting addiction, substance use, crime, gang involvement, homelessness, hospitalization, prison, and recovery. Youth will exam how anxiety, trauma, ADD, loneliness, low self-esteem, poverty and family abuse can lead to substance use and abuse. iTHRIVE will also conduct similar presentations to 200 parents in the school setting.

OUTCOMES

Metgroup (Beseler and Maertens, 2015) found that iTHRIVE's previous programming led to a significant decrease in marijuana use by youth and increased understanding of harm caused by using marijuana. Youth reported decreased importance of illegal substances, and showed significantly improved risk and protective factors related to marijuana use. Parents increased their ability to manage conflict, and reported improved levels of family satisfaction.

EXHIBIT B1- STATEMENT OF WORK

Goals & Objectives

These are the elements against which the project will be evaluated and which will be used to report quarterly and final progress.

Goal 1: To decrease the use of alcohol/substances for teens 12-17 that are in the early stages of drug and/or alcohol use/abuse

	Objective	Outcome	Measurement	Timeframe
1.1	Provide 6 week iTHRIVE intervention program to 150 youth	70% of the participating teens will gain the knowledge and skills to reduce or eliminate substance use while also increasing their perception of harm for using substances.	Pre & post assessments, ATOD Consequences and Perceptions survey Interpersonal Competence Questionnaire, internal surveys, school level data	At end of each 6-week session, data compiled quarterly & evaluated by CSU & AFY & semi-annually
1.2	Provide school-based education to 1,200 youth and 200 parents	50% of participating teens and parents will increase their perception of harm of marijuana use	Self reporting survey conducted at the completion of the presentation	End of each presentation
1.3				

Goal 2 (If needed): To improve parenting and communication skills of parents of teens 12-17 that are participating in the 6-week iTHRIVE program as well as increasing parents' perception of harm of teens using marijuana.

	Objective	Outcome	Measurement	Timeframe
2.1	Provide 100 parents with the knowledge and skills regarding improved communication and increase perception of harm from teen marijuana use.	70% of the participating parents/guardians learn new tools for improved family communication and also report a significant improvement in family satisfaction	Pre and post Family Satisfaction survey and Quarterly self-assessments of increased skills, resources for family communication, increased knowledge of alcohol/drugs, increased knowledge of harm and signs of substance abuse	At end of each 6-week session, data compiled quarterly & evaluated by CSU & AFY & semi-annually
2.2				
2.3				

Goal 3 (If needed):

	Objective	Outcome	Measurement	Timeframe
3.1				
3.2				
3.3				

Project Evaluation:

Describe the approach for evaluating the project in response to the stated objectives, outcomes and measurements. (maximum length = 5,000 characters)

1. Plan for collecting data: AFY will contract with Colorado State University to conduct an evaluation. During the 6-week sessions, all parents and teens will complete pre and post assessments, including the Alcohol, Tobacco and Other Drug (ATOD) Characteristics Questionnaire, ATOD Consequences, Perceptions survey, Interpersonal Competence Questionnaire, and Family Satisfaction Questionnaire . They will also track attendance throughout the year. The evaluation team from CSU will review and compile data, and will conduct quarterly evaluations. The project director will conduct spot checks to ensure that the data is being entered and collected. The 17th DA's Office and AFY will also monitor suspensions and expulsions of participating youth.

2) Using data: AFY will use data to track progress and identify areas of improvement. The team of facilitators and administrative staff will meet at least bi-monthly to address performance issues ranging from ensuring the integrity of the data and timely entry, testing the accuracy of reports, understanding the numerator/denominator for each measure, checking files and back-up documentation. Staff will use performance data to coordinate and track its efforts to include outreach, enrollment, and service delivery. The team will use the monthly data analysis to track progress on youth and parent outcomes, maintain quality control and identify areas for improvement to comply with targeted outcomes. Potential areas for improvement might include expanding outreach efforts to meet service number targets and working more closely with school staff. AFY's project director will work with administrative staff to ensure that all participant files and documentation are complete, compliant and in good order. The project director will conduct regular file checks to ensure accurate data collection.

3) What is your approach to obtaining consent from participants and maintaining confidentiality

Upon enrollment, each teen and family member receives consent and privacy forms upon enrollment, identifying confidentiality and their consent to participant. Staff explain the forms, and more explanation of each form is included in the welcome packet. Information provided by and to a client in the course of the program is privileged communication within iTHRIVE/Alternatives for Youth, and is not released without the client's consent. The client is notified of exceptions, including if they become suicidal, intend to harm someone else, a child is being physically or sexually abused, or for a criminal or delinquency proceeding.

4) How will you confirm whether your project was successful in making progress toward achieving your goal?

The evaluation and outcomes are specific toward youth reducing involvement with drugs, improving youth and parent behavior and attitudes, and youth staying in school. Those will be evident through profiles of participant survey data (see above), and specific student and schoolwide outcomes (persistence in school, attendance, reduction in suspensions/expulsions related to drug use).
