**1. PARTIES**

This Grant Agreement (hereinafter called “Grant”) is entered into by and among the Adams County Education Consortium (hereinafter called “Grantee”), Adams County (hereinafter called “County”), and the STATE OF COLORADO, acting by and through the Colorado Department of Higher Education on behalf of the Colorado Opportunity Scholarship Initiative (hereinafter called the “State” or “CDHE”).

**2. EFFECTIVE DATE AND NOTICE OF NONLIABILITY.**

This Grant shall not be effective or enforceable until it is approved and signed by the Colorado State Controller or designee (hereinafter called the “Effective Date”). The State shall not be liable to pay or reimburse Grantee for any performance hereunder, including, but not limited to costs or expenses incurred, or be bound by any provision hereof prior to the Effective Date.

**3. RECITALS**

**A. Authority, Appropriation, and Approval**

Authority to enter into this Grant exists in C.R.S. § 23-3.3-1001, *et seq.*, and funds have been budgeted, appropriated and otherwise made available pursuant to C.R.S. § 23-3.3-1005 and a sufficient unencumbered balance thereof remains available for payment. Required approvals, clearance and coordination have been accomplished from and with appropriate agencies.

#### **B. Consideration**

The Parties acknowledge that the mutual promises and covenants contained herein and other good and valuable consideration are sufficient and adequate to support this Grant.

#### **C. Purpose**

This Grant Agreement addresses the second phase of the Scholarship Initiative, which is to build a scholarship fund leveraged by matching funds from nonprofit and private donors designed to incentivize increased scholarship giving in the State of Colorado. These dollars are intended to complement the services offered by student support programs that received funding during the first phase of the Scholarship Initiative, and to expand upon other student support services in the state.

Grant awards for matching student scholarships are intended to generate greater availability of scholarship dollars for Colorado students demonstrating need, promote scholarship programs that include student support services, encourage communities to create or leverage foundations that assist students with the costs of higher education and encourage pursuit of a degree or credential, and to align tuition assistance programs with workforce development programs.

The Scholarship Initiative shall distribute grants for matching student scholarships to entities committed and able to provide matching funds, and not directly to students. Grants will be awarded in three specific categories: County-based grants, Institution of Higher Education Grants, and Workforce Development grants. Criteria for matching student scholarships in each of the three categories will be determined and published annually in the initiative's request for proposal for matching student scholarship grants.

Adams County is a grant recipient in the County-Based category of matching student scholarship grants. Per Adams County's response to the initiative's request for proposal for matching student scholarship grants, herein incorporated by reference, the County has designated Grantee to receive and re-distribute Grant Funds designated to provide student tuition assistance in the Adams County area through the Adams County Scholarship Fund. CDHE, the County, and Grantee agree that (i) Grantee will receive and re-distribute such Grant Funds to local school district participants in the Adams County Scholarship Fund, referred to as "Subgrantees" for the purposes of this Agreement, in accordance with all requirements of 8 CCR 1504-9, (ii) County, Grantee, and Subgrantees have entered into a collaborative Memorandum of Understanding (MOU), attached as **Exhibit E**, to provide those Services described in **Exhibit A**, the Statement of Work, (iii) County will provide matching funds in an amount equivalent to the amount provided by the State, up to the maximum amount set forth in §7.A, and (iv) Grantee will timely provide proof of matching funds from County prior to disbursement of funds by the State using the commitment letter, attached as **Exhibit D**.

### **B. Payment**

Grantee shall invoice the State separately for accrued interest on delinquent amounts. Therefore, Grantee's compensation is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions, set forth below. If federal funds are

used with this Grant in whole or in part, the State's performance hereunder is contingent upon the continuing availability of such funds. Payments pursuant to this Grant shall be made only from available funds encumbered for this Grant and the State's liability for such payments shall be limited to the amount remaining of such encumbered funds. If State or federal funds are not appropriated, or otherwise become unavailable to fund this Grant, the State may immediately terminate this Grant in whole or in part without further liability in accordance with the provisions herein.

**iv. Erroneous Payments**

At the State's sole discretion, payments made to Grantee in error for any reason, including, but not limited to overpayments or improper payments, and unexpended or excess funds received by Grantee, may be recovered from Grantee by deduction from subsequent payments under this Grant or other Grants, grants or agreements between the State and Grantee or by other appropriate methods and collected as a debt due to the State. **v. Invoice Schedule**

The State will disburse Grant Funds to Grantee according to the invoice schedule, attached as **Exhibit B**. Disbursements according to the invoice schedule are contingent on the Grantee's ability to raise matching funds for the purpose of this Grant. Payments of Grant Funds per the invoice schedule will not be administered until proof of funds (**Exhibit D**) has been received to the satisfaction of CDHE. The invoice schedule will reflect that matching funds provided by Grantee shall be used prior to the distribution of Grant Funds for the benefit of individual students receiving scholarships.

**C. Use of Funds**

Grant Funds shall be used only for eligible costs identified herein and/or in **Exhibit B**, the Budget. Grantee may adjust budgeted expenditure amounts up to 10% within each line item of the Budget without approval of the State, so long as the Grantee provides CDHE with advance notice of adjustments to the Budget in writing. Adjustments in excess of 10% shall be authorized by the State in an amendment to this Grant. The State's total consideration shall not exceed the maximum amount shown herein.

The State reserves the right to inspect the Work at all reasonable times and places during the term of this Grant, including any extension. If the Work fails to conform to the requirements of this Grant, the State may require Grantee promptly to bring the Work into conformity with Grant requirements, at Grantee's sole expense. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. Demand removal of any of Grantee's employees, agents, or Subgrantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State's best interest.

**xvii. Intellectual Property**

Notwithstanding any other provision to the contrary, nothing herein shall constitute a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS §24-10-101, et seq., as amended. Liability for claims for injuries to persons or property arising from the negligence of the State of Colorado, its departments, institutions, agencies, boards, officials, and employees is controlled and limited by the provisions of the Governmental Immunity Act and the risk management statutes, CRS §24-30-1501, et seq., as amended.

Collection of information relevant to the performance of Grantee's obligations under this Grant shall be determined by the specific requirements of such obligations and shall include factors tailored to match the requirements of Grantee's obligations. Such performance information shall be entered into the statewide Grant Management System at intervals established herein and a final Evaluation, Review and Rating shall be rendered within 30 days of the end of the Grant term. Grantee shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Grantee may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and

appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Grantee, by the Executive Director, upon a showing of good cause.

## **EXHIBIT A – STATEMENT OF WORK**

### **1. GRANTEE GOALS AND OBJECTIVES**

#### **1.1 Grantee Goals:**

With the combined total of \$1,011,525.45 in State allocation from COSI and matching funds provided by Adams County, Grantee will use these funds to award eligible students multi-year scholarships to increase postsecondary credential completion and to prepare Adams County students to earn a livable wage, by graduating with less debt, and to positively contribute to the growth of our state's economy. The program will be referred to as the Adams County Scholarship Fund. Grantee will use 2.5% of the total amount of funds, \$25,936.55,, for administration support.

Adams County Scholarship Fund will be administered by Adams County Education Consortium in partnership with the following School Districts and School District Foundations: Adams 14 Education Foundation, 27J Education Foundation, Mapleton Education Foundation, Westminster Public School Foundation, Adams 12 Five Star Schools, Strasburg School District 31J, and Bennett School District 29J. Each School District and School District Foundation will be responsible for awarding eligible Adams County graduates with scholarships based on customized scholarship programs. A memorandum of understanding outlining this relationship is attached as Exhibit E.

Each school district and school district foundation will be required to incorporate a student support system to ensure a successful retention outcome and the completion of their post-secondary education credentials.

Fifty Seven (57) high-achieving students enrolled in the free and reduced lunch program or whose income is determined to be between 0% and 250% of the maximum permissible income for the purpose of determining eligibility for Pell grants are eligible to apply for two to four-year scholarships from the Adams County Scholarship Fund, which range in value from \$5,000 - \$20,000.

#### **1.2 Grantee Objectives**

##### **Objective 1:** Adams 14 Education Foundation

Adams 14 Education Foundation intends to award up to ten (10) scholarships in the amount of \$14,000, payable annually in the amount of \$3,500 for up to a 4-year period contingent upon continued success and enrollment in a Colorado Public Institution. Students will be supported by providing them the resources they need to overcome registration, housing, and transportation issues, as well as other barriers to success.

##### **Objective 2:** 27J Education Foundation

The 27J Education Foundation plans to work in partnership with the 27J Hispanic Advisory Committee to identify ten (10) students who are the first in their families to pursue post-secondary education and award scholarships based upon academic merit and financial need. The ten scholarships would be in the amount of \$14,000, payable annually in the amount \$3,500 for up to a 4-year period contingent upon continued success and enrollment post-secondary education.

##### **Objective 3:** Mapleton Education Foundation

Mapleton Education Foundation intends to award two (2) scholarships in the amount of \$20,000, payable annually in the amount of \$5,000 for up to a 4-year period and seven (7) scholarships in the amount of \$10,000, payable in the amount of \$2,500 for up to a 4-year period and contingent upon continued success and enrollment in a Colorado Public Institution.

##### **Objective 4:** Westminster Public Schools Foundation

With this funding seven (7) four-year scholarships will be awarded at \$22,000 each (\$154,000 total). Awards will be announced in April 2017 and tuition payments will made each semester for the next four

years. Students will receive \$5,000 per year for tuition and an additional \$500 per year for other costs related to tuition assistance that may include fees, books, housing, food, and transportation. Applicants will submit applications and be required to interview with committee members.

The remaining funds, \$26,643, will support concurrent enrollment programs such as Project Lead the Way. These funds will NOT supplant District contracts and payments. Funds will be awarded to approximately 70 (seventy) students who are taking college level course work to earn college credit. By reducing the financial barrier for high school students to obtain college credit through programs such as Project Lead the Way we will be creating a pipeline of potential scholarship recipients for the future.

**Objective 5: Adams 12 Five Star Schools**

The district plans to begin implementation of the program with the graduating class of 2016. When the scholarship program is fully operational, the district plans to offer twenty (20) scholarships of \$5,250 per year for four years. Preparing students for post-secondary education and post-secondary economic success is a high priority for the Adams 12 school district and the Five Star Education Foundation.

**Objective 6: Strasburg School District 31J**

Strasburg 31J intends to award one (1) scholarship in the amount of \$9,500, payable annually in the amount of \$2,375 for up to a 4-year period contingent upon continued success and enrollment in a Colorado Public Institution. Candidates will meet with the High School counselor and develop a post-secondary plan, complete FASFA applications, and apply for scholarships, including the Adams County Scholarship Fund. The foundation wishes to ensure that students can receive financial support beyond the first year, and will award the scholarship with a multi-year goal.

**Objective 6: Bennett School District 29J**

Bennett School District 29J intends to award one (1) scholarships in the amount of \$8,000, payable annually in the amount of \$2,000 for up to a 4-year period contingent upon continued success and enrollment in a Colorado Public Institution. Candidates will meet with the High School counselor and develop a post-secondary plan, complete FASFA applications, and apply for scholarships, including the Adams County Scholarship Fund.

**Objective 7: Adams County Education Consortium**

Adams County Education Consortium (ACEC) is the fiscal agent for Adams County Board of County Commissioners. Per the grant guidelines, ACEC will use 2.5% of the combined State and matching funds, which is \$25,936.55, to administer the program.

**Objective 8:**

In 2014, the Adams County Board of County Commissioners approved a resolution authorizing an imposition of an additional three percent countywide sales tax on retail marijuana and retail marijuana products. The revenue received by the county by the above mentioned sales tax is to be used for educational programs in the county. The voters approved the additional three percent countywide sales tax during the 2014 election. In December 2016, the Adams County Board of County Commissioners approved the 1:1 required match of \$518,731 for the Colorado Opportunity Scholarship Initiative utilizing the retail marijuana and retail marijuana products sales tax.

***\*\*The Adams County Board of County Commissioners is committed to funding this grant proposal in the amount of \$518,731, regardless of whether it is funded through a marijuana sales tax or through another revenue source.***
