BACKGROUND:

In December of 1999, the Foster Care Independence Act of 1999 was signed into law. Title I of the Act is the Chafee Foster Care Independence Program (CFCIP). This legislation helps ensure that young people involved in the foster care system get the tools they need to make the most of their lives. They may have opportunities for additional education or training, housing assistance, counseling or other services.

The Chafee Foster Care Independence Program is a federally funded program that is county administered. The State requires a plan each year that is approved by the Board of County Commissioners and County Human Services Director in regard to expenditures and detailed program information. Upon plan approval, funds are allocated to the county to provide direct services to youth who have emancipated or are emancipating out of foster care in efforts to assist them in becoming self-sufficient.
