### **BACKGROUND:**

The Community & Economic Development requests that the Board of County Commissioners ratify the prior decision to authorize a grant application to the U.S. Department of Homeland Security, Federal Emergency Management Agency. The Pre-Disaster Mitigation (PDM) program makes available Federal funds to State, Local, and Tribal Governments to implement and sustain cost-effective measures designed to reduce the risk to individuals and property from natural hazards, while also reducing reliance on Federal funding from future disasters. The PDM program is as a 75/25 grant with 75% from the grant funds and 25% from local match. The local match will be met by using in-kind match from salaries of staff involved in the project.
