BACKGROUND:
On May 10, 2016, the Board of County Commissioners (BoCC) approved a preliminary plat application for a major subdivision, known as Frei Hatchery Pit (PLT2015-00009). The preliminary plat, as was presented at the Planning Commission public hearing on April 14, 2016, and Board of County Commissioners public hearing on May 10, 2016, was to combine four parcels of land into two lots; however, the approved resolution mistakenly was recorded for approval of a preliminary plat to combine four parcels into one lot. The purpose of this request is to correct the error and re-record the resolution to depict the BoCC's approval for a preliminary plat to combine four into two lots.
