BACKGROUND:
Adams County has received Community Service Block Grant ("CSBG") funds annually from the Colorado Department of Local Affairs ("DOLA") since 1974. The State receives CSBG funds from the U.S. Department of Health and Human Services to ameliorate the effects of poverty in local communities. Sections 676B of the Community Services Block Grant Reauthorization Act of 1998 requires that, as a condition of designation, private nonprofit entities and public organizations administer their CSBG program through tripartite boards that "fully participate in the development, planning, implementation, and evaluation of the program to serve low-income communities."

On March 9, 2018, the CSBGAC (Adams County tri-partite board) reviewed the bylaws and made recommendations to the Board of County Commissioners.
