DATE OF PUBLIC HEARING: November 13, 2018
SUBJECT: Equitable Sharing Agreement and Certification
FROM: Sheriff Michael McIntosh
AGENCY/DEPARTMENT: Sheriff's Office
HEARD AT STUDY SESSION ON: n/a
AUTHORIZATION TO MOVE FORWARD: YES NO
RECOMMENDED ACTION: That the Board of County Commissioners Approves Submission of Equitable Sharing Agreement and Certification.

BACKGROUND:

One of the ancillary benefits of asset forfeiture is the potential to share federal forfeiture proceeds with cooperating state and local law enforcement agencies through equitable sharing. The Department of Justice and the Department of the Treasury Equitable Sharing Programs enhance cooperation amongst federal, state, local, and tribal law enforcement by providing valuable additional resources to state and local law enforcement agencies. However, the Program is designed to supplement and enhance, not supplant, appropriated agency resources.

Any state, local, or tribal law enforcement agency that is a participant in the Program and directly participates in an investigation or prosecution resulting in a federal forfeiture may request an equitable share of the net proceeds of the forfeiture. In order for a state, local, or tribal law enforcement agency to receive shared funds, the agency must be compliant with the Program guidelines and reporting requirements.

Traditional law enforcement agencies generally include city, district, local, county, state, or tribal police, sheriff, or highway patrol departments, and state or local prosecutors' offices. To become a Program participant, these traditional agencies must first submit an Equitable Sharing Agreement and Certification (ESAC) form and affidavit to the Money Laundering and Asset

Recovery Section (MLARS). Once the form is reviewed and accepted, the agency is placed into compliance. Yearly filing of the ESAC is required to maintain compliance.
