### **BACKGROUND:**

Adams County has 900 acres of land owned by the State of Wildlife and Parks department. This land is not on the County's tax rolls and as such, no revenue can be collected from this land. The State legislature has recognized that this could cause a negative financial impact on counties in which this type of land is located and on political subdivisions located within those counties. As a result, C.R.S. 30-25-301 et seq. authorizes the counties impacted to apply for and receiving impact assistance grants. Adams County will be submitting an application for the Colorado Parks and Wildlife Impact Assistance Grant with a request of \$18,136.62 in grant funds.
