RECOMMENDED ACTION: That the Board of County Commissioners approves the agreement between Adams County and the Farmer's Reservoir and Irrigation Company (FRICO) for an easement.

BACKGROUND:

The Information Technology and Innovation Department is working on a project to route underground fiber optic cable from the Commerce City Development Building to the Adams County Opportunity Center. The underground cable will be installed along Dahlia St and will cross the O'Brian Canal which is owned by the Farmer's Reservoir and Irrigation Company (FRICO).

An agreement is required by FRICO prior to issuing the permit for the easement. There's a \$15,000 crossing fee and a \$10,000 security deposit. The Information Technology and Innovation Department requests approval of the agreement to complete the cable installation project for the County.
