

## PUBLIC HEARING AGENDA ITEM

<b>DATE OF PUBLIC HEARING:</b> January 21, 2020
<b>SUBJECT:</b> 2020 Compaction Aid Materials
<b>FROM:</b> Raymond H. Gonzales, County Manager Chris Kline, Deputy County Manager Benjamin Dahlman, Finance Director Jennifer Tierney-Hammer, Procurement and Contracts Manager
<b>AGENCY/DEPARTMENT:</b> Public Works
<b>HEARD AT STUDY SESSION ON:</b> N/A
<b>AUTHORIZATION TO MOVE FORWARD:</b> <input type="checkbox"/> YES <input type="checkbox"/> NO
<b>RECOMMENDED ACTION:</b> That the Board of County Commissioners approves an agreement with G5 BioSolutions, Inc., to supply polymeric compaction aid materials.

### **BACKGROUND:**

The Public Works Operations Division (Public Works) has implemented an accelerated gravel road rehabilitation program. This program includes the application of polymeric compaction aid for specific types of surface gravel materials.

Public Works has identified roads to be rehabilitated for the 2020 Gravel Road Rehabilitation programs, which requires stockpiling surface gravel additives such as polymeric compaction aid materials. These materials significantly reduce water demand, which is of importance in the eastern portions of the County where water sourcing is limited and the travel time and distance to deliver water is high.

Polymeric compaction aid materials will also assist with achieving and sustaining compaction of gravel, reducing the level of effort, fuel consumption of equipment and extends gravel performance over its lifecycle.

A formal Invitation for Bid (IFB) was solicited utilizing Bidnet Direct on December 9, 2019. The County received one (1) bid on December 30, 2019 from the following firm:

RANK	COMPANY	TOTAL BID AMOUNT
1	G5 BioSolutions, Inc.	\$419,400.00

After a thorough review and acknowledgment that outreach to the market was sufficient, staff determined that G5 BioSolutions, Inc. is the lowest responsive and responsible bidder. G5 BioSolutions, Inc. meets the minimum requirements set forth in the IFB, and is within the project budget.

Staff recommends the project be awarded to G5 BioSolutions, Inc., in the not to exceed amount of \$419,400.00.
