2.4 WHEREAS, the City and County of Broomfield has contracted with the Adams County Coroner’s Office for coroner services since 2001, and the City and County of Broomfield desires to continue to receive coroner services from the Adams County Coroner’s Office; and

2.5 WHEREAS, the Adams County Coroner’s Office is equipped and able to provide such services; and

2.6 NOW THEREFORE, both parties shall enter into a contractual agreement for the period January 1, 2021 through December 31, 2021 for the following described services.

3.0 In consideration of the mutual covenants and promises of the Parties contained herein, and other valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

3.1 GENERAL CORONER SERVICES

3.1.1 It shall be the duty of the City and County of Broomfield law enforcement agencies to call the Adams County Coroner as soon as practicable to make notification of the death. Coroner’s Office investigators will respond to service calls within sixty minutes,

absent exigent circumstances. Response of the pathologist to any death scene shall be the decision of the Adams County Coroner or her designee.

3.1.2 The Adams County Coroner will be responsible for notification of next of kin, or in the alternative, the Adams County Coroner will arrange for notification to be performed by the Broomfield Police Department. The Adams County Coroner requires that in-person contact with next of kin be made whenever possible.

3.1.3 The Adams County Coroner will perform autopsies, x-rays, and toxicology testing (within reason by industry standards) at no additional cost. Payment for testing that is not standard testing, and requested by law enforcement, will be negotiated on a case-by-case basis. Body transporting, refrigerated storage and/or freezing capabilities are on-site and are provided by the Adams County Coroner.

3.1.4 The Adams County Coroner shall maintain a file of all deaths within Broomfield reported pursuant to this Agreement.

3.2 AUTOPSIES AND TOXICOLOGY REPORTS

3.2.1 The Adams County Coroner will perform autopsies as required by law to determine the cause and manner of death, and will make the final determination as to the need for autopsy in cases of natural death. In cases of questionable death, the Adams County Coroner, in conjunction with the district attorney, will make the final determination concerning the need for autopsy. Absent exigent circumstances, autopsy reports will be available within forty-five (45) to sixty (60) days after the procedure is completed.

3.2.2 Autopsies and related procedures will be performed at the Adams County Coroner's Office as soon as practicable, absent unforeseen or uncontrollable circumstances.

3.2.3 Toxicological reports will be provided to the City and County of Broomfield with the autopsy reports, or as soon as available.

3.2.4 It is not mandatory that law enforcement agencies attend autopsies. The Adams County Coroner will give sufficient notice to involved Broomfield law enforcement personnel of the time and place the autopsy is to be performed. It is up to the agency to decide if it will send representatives to the procedure. It is the responsibility of the agency to arrange for its timely attendance at autopsy procedures, if it elects to attend such procedures.

3.3 MULTI-CASUALTY DISASTER RESPONSE

The Adams County Coroner will provide disaster response as outlined in the Broomfield All Hazard Emergency Operations Plan—Mass Casualty Index. In the event a disaster response is required, the Adams County Coroner will provide service to local law

enforcement in accordance with the Emergency Operations Plan, and disseminate any casualty related information to the press.

Local law enforcement will be responsible for scene and perimeter security and control of entry until the scene is released by the Coroner. The movement of, or removal from any disaster scene of decedents, remains of any decedents or personal effects, shall be at the express direction or with the informed consent of the Adams County Coroner, with the exception of any movement or removal which must be accomplished in a rescue procedure connected with potential or actual survivors.

3.4 RESPONSIBILITIES OF THE CITY AND COUNTY OF BROOMFIELD

3.4.1 The City and County of Broomfield shall be responsible for notifying the Adams County Coroner of the occurrence of a death in a timely manner, in those situations where the law enforcement agency of Broomfield is involved. This notification shall be done as soon as possible, to allow the Adams County Coroner to perform its statutory duties expeditiously.

3.4.2 The City and County of Broomfield shall provide the Adams County Coroner with up to date maps of its jurisdiction, to facilitate response to locations within the City and County of Broomfield.

3.4.3 The City and County of Broomfield shall provide investigative reports of death scene investigations performed by the City and County of Broomfield law enforcement agencies, when the Adams County Coroner requests such reports.

3.4.4 Upon written request or court order, the Adams County Coroner will release investigative reports, photographs, records, and other documentation to the City and County of Broomfield Police Department, unless otherwise prohibited by law.

3.4.5 The City and County of Broomfield law enforcement agencies or authorized victim advocate groups shall assist, when necessary, to provide notification of next of kin services.

In addition, the City and County of Broomfield shall reimburse the Adams County Coroner for any additional specialized services incurred as a result of a declared emergency.
