### **BACKGROUND:**

The Colorado Department of Transportation (CDOT) and Adams County (County) are anticipating improvements to the I-270 corridor. The County and CDOT have defined the Statement of Work for an Environmental Assessment of the I-270 Corridor (Project). The I-270 corridor is a critical component of the County's transportation network. The Project is estimated to cost \$5,300,000. This project also received federal funds through the FY 2020-2023 Transportation Improvement Program (TIP), which was adopted by the Denver Regional Council of Governments (DRCOG) on August 21, 2019. As the TIP project sponsor, the County is the primary contracting agency with CDOT and is ultimately responsible to collect the full local match and provide it to CDOT. The County committed \$2,500,000.00 in local funds to the project. The City of Commerce City is contributing an additional \$1,000,000. The Project will receive federal funds in the amount of \$1,800,000. CDOT is fully responsible for the general administration and overseeing the project contract.
