BACKGROUND:

The Commerce City Department of Parks, Recreation, and Golf has requested that the POSCA Department help them establish a park ranger program. We wish to assist Commerce City with establishing a competent and safe park ranger program to ensure they can provide for visitor safety and protect natural resources within their parks and trails system like Adams County. The City Council of Commerce City has approved funding for two (2) park rangers and the associated costs (equipment, vehicle, and supervision). An IGA has been drafted in coordination with the CAO, City Attorney, Commerce City P.D., and the respective Parks Departments to detail the terms and conditions of the County providing park ranger services to Commerce City.
